GIUSEPPE PELLIZZI PRIZE 2020

The *Club of Bologna* (www.clubofbologna.org) in collaboration with the *Accademia dei Georgofili* organizes the 4th edition of “**Giuseppe Pellizzi Prize**”, an international competition reserved to PhD Theses devoted Farm Machinery and Mechanization topics. The prize is awarded concurrently with the agricultural machinery exhibition EIMA International, held in Bologna (Italy) every two years.

Applicants must have achieved a PhD with specific reference to the sector of “**Agricultural Machines and Mechanization**” under the following specific headings: (i) Tractors and Engines; (ii) Agricultural Machines and Mechanization; (iii) Components and Materials; (iv) Automation and Electronics.

To be eligible the Applicants must: (i) be born after **December 31, 1983**, (ii) have obtained the PhD title not before **January 1, 2018**, and (iii) be presented by a Full Member of the *Club of Bologna*, who will act as Tutor. The application should be submitted exclusively by e-mail to the *Club of Bologna* Secretary General (Prof. Marco Fiala; marco.fiala@unimi.it) using the Forms download from the *Club of Bologna* web site <http://www.clubofbologna.org>. The submission deadline is **June 30, 2020**.

The Management Committee of *Club of Bologna* will assess the presented PhD Theses and will select the **three best ones**. Winners will receive cash prizes of 1200, 800 and 500 Euro, for 1st, 2nd and 3rd place, respectively. During the “*Giuseppe Pellizzi Prize 2020 Award Ceremony*”, organized in a special Session of the 30th *Club of Bologna* Members Meeting (November 15-16, 2020), they will be invited to present a short lecture on the results of their PhD Thesis.

Finally, the winners will be invited to attend –as expert guests, hosted by FEDERUNACOMA- to the *Club of Bologna* Full Members Meetings for a period of five years (from 2021 to 2025).

The invitation to participate is addressed to all young Researchers who in recent years have carried out research in the field of Agricultural Mechanization.
